

# AnoFrame SnapOn System™

## Infinite display possibilities.

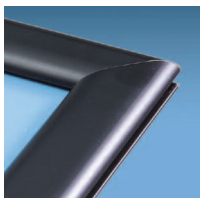

- Create kiosks, screens, and space dividers in any configuration you can imagine.
- Tool-free assembly — simply snap clips onto frame and push onto pole.
- Disassembles quickly for easy storage; reassembles in minutes.
- Use with AnoFrame MultiSystem for a unique display.

Always cut to your exact specifications.

AnoFrame SnapOn System Example

13AS100

	Example Frame	Number of Panels
screen	36" x 96"	(3)
kiosk	36" x 96"	(3)
3 stacked frames	22" x 28"	(1)

Pricing above is based on using mitered AnoFrames with 9" bases.

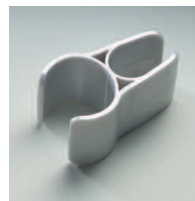

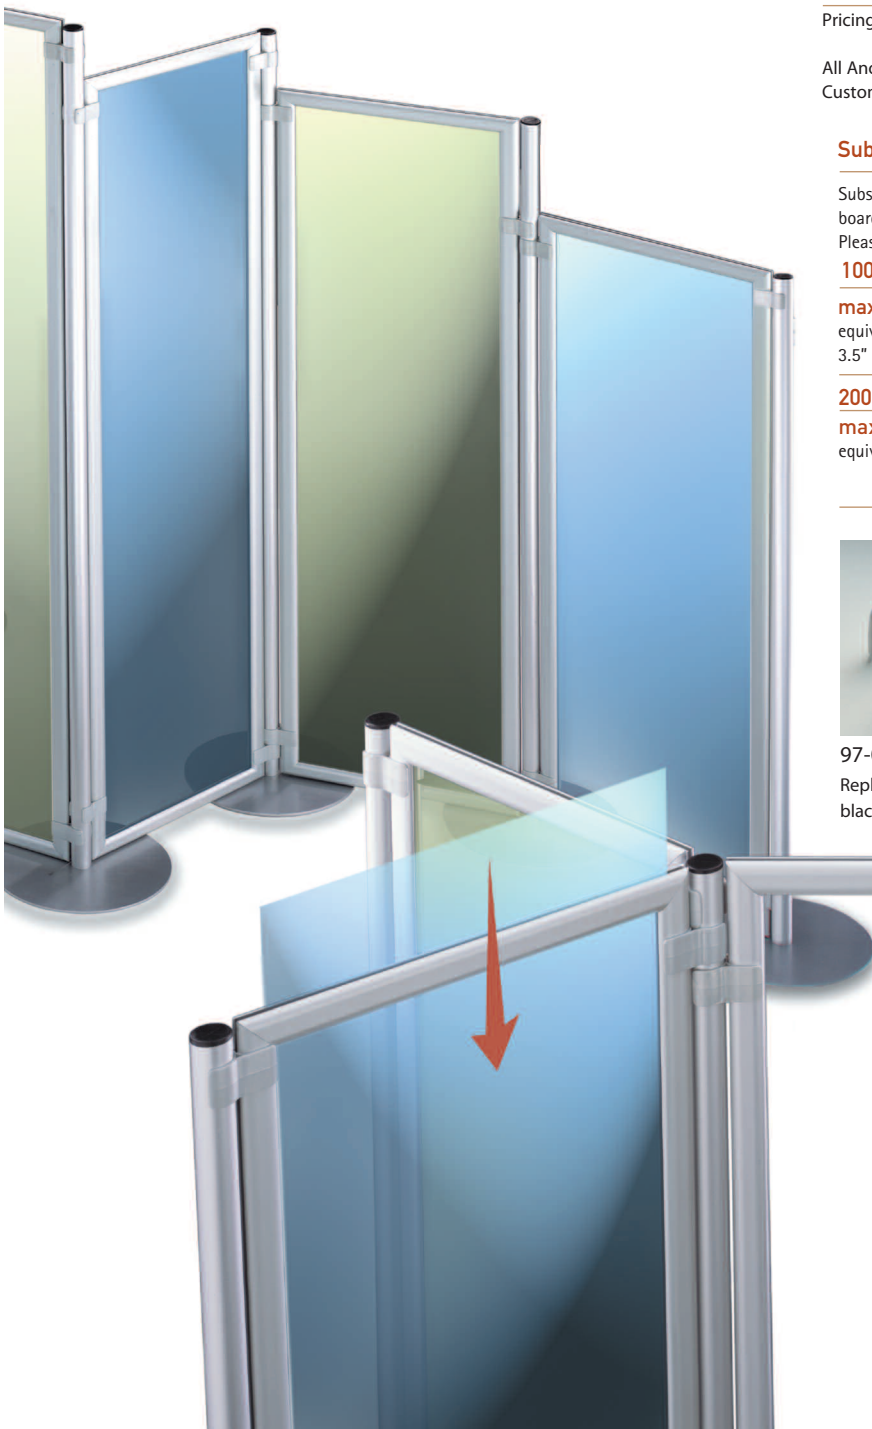

All AnoFrame SnapOn System orders are cut to your exact specifications. Custom sizes available. Call for pricing. 9" matching bases are standard.

Substrate Possibilities

Substrates should be rigid or semi-rigid. For thin, flexible substrates use backer boards or clear protective liners, sold separately. Please call for details.
