

Butterfly™ Clips

Secure, easy-on/easy-off ceiling anchors.

Hanging graphics from your ceiling just got a whole lot easier. With our patented line of Butterfly Clips, simply squeeze the "wings" together and attach to grid for a strong, secure hold that won't let go until you take it down.

- Multiple versions accommodate a variety of hooks, cables and connectors.
- Attaches and detaches easily by hand.
- Ideal for recessed ceilings. Will not scratch tiles.
- Off-white color matches most ceilings.

With three innovative designs and numerous hanging options to choose from, your display possibilities are endless. Whether you prefer cables, hooks, or ball chain, Butterfly Clips provide a reliable solution for you.

clear hook sold separately.

Simply squeeze the wings of the Butterfly Clip and attach to ceiling tile by hand. Our unique, patented design makes for a strong, secure hold.
