Technical Information

Poles are available in standard 3", 6" and 36" sizes. Custom sizes available. Call for pricing. Multiple poles may be needed for wider graphics. If over 40" wide, frame will need two poles.

Custom colors are available; 10,000 ft. minimum and an up charge may apply. Wood finishes are available and we can match most colors. Minimum quantities apply.

For color and profile options, and for live area calculators see AnoFrame spread or 3/16" AnoFrame spread. Pricing based on standard AnoFrames. Call for 3/16" AnoFrame pricing.

Maximum graphic size will vary with application. Call for details.

Details shown in black also available in metalized aluminum.

Weighted base and screw base also available in silver finish.

Frame always cut to your exact specifications.
