

Spider™ Anchors

Safe, strong and simple ceiling anchors.

Virtually indestructible, Spider Anchors are transparent to match any standard 1" grid ceiling. Used with our durable Clear Locking Hooks, Spider Anchors secure your entire system for trouble-free, easy installation. Anchors are compatible with standard grid ceilings as well as our Spider Track and Tile Divider.

Spider Anchors

RAN-BASE-CC

SoftHook Spider Anchor Clear

All SoftHooks utilize the same anchor base and are compatible with most Rose Displays sign holders.

RAN-1UP

OneUp Spider™ Anchor Clear

Hangs signs perpendicular to grid or parallel when combined with OneUp clips on the sign holder.

RAN-1UP-2

OneUp Spider™ Anchor (2 pieces) Clear

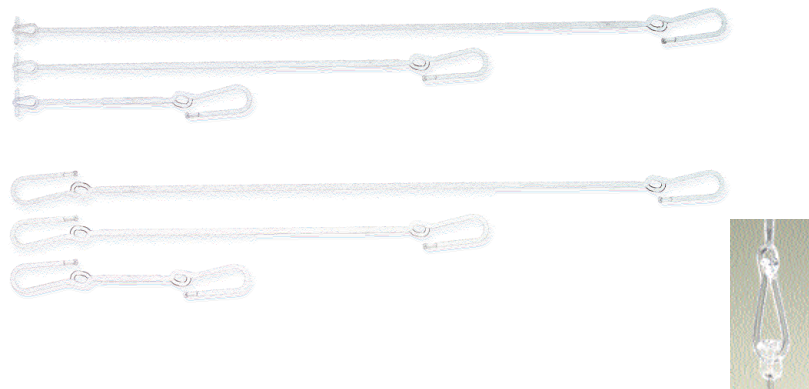

Hangs signs parallel, perpendicular or 45° to ceiling grid.

RAN-1UP-2S

Swivel Spider™ Anchor Clear

Designed for use with the BiClops RoPole for 2-point installations.

Daisy Chaining Hooks
Connect Single Locking Hooks to achieve lengths over 18".

Clear Locking Hook w/Base

RAN-BASE-D

The RAN-COMBO is the ideal combination of Anchor and Clear Locking Hook. The RAN-BASE-D is used with the single RoPole head. This lets you position your graphics in 8 different directions.

RAN-BASE-S

The RAN-COMBO SWIVEL is the ideal combination of Anchor and Clear Locking Hook when multi-point hanging is required. The RAN-BASE-S is used with the BiClops RoPole head.
